## ABOUT RENEWABLE ASIA & ENERGY EXPO

RENEWABLE ASIA & ENERGY EXPO is one of the largest and most comprehensive Exhibition in the Non-Conventional Sources of Energy technology sector. Renewable and Alternative energy sources are set to play an increasingly important role in providing the power for domestic and Industrial functions that the society needs. There is a wide range of energy sources such as solar energy, wind energy, hydro-electric, geothermal, bio-fuels and biomass.

RENEWABLE ASIA & ENERGY EXPO is a place for the cross-pollination of ideas and best practice among the world's leading Power Industry professionals from each sector of the power generation spectrum. Technology development is being geared towards providing flexible solutions that enable integration of various renewable & conventional power and these solutions are now being brought to the market.

## EXHIBITOR PROFILE

### Solar Energy

- Suppliers of raw materials
- Wire saws and consumables
- Silicon feedstock, ingot and wafer manufacturing
- Inverters, charge controllers, batteries and module connectors
- Screen-printing and metallization equipments
- Solar cells manufacturers
- Solar drying and desalination systems
- Software solutions and providers of irradiation data
- Turnkey solution providers
- Solar farm developers and owners
- Annual maintenance contractors
- Emission monitoring systems
- Electrical test and measuring systems
- Manufacturers of cell and module encapsulation, crystal growth equipments, diffusion furnaces, laminators, mounting systems, concentrators, trackers and collectors
- Solar street and billboard lighting systems
- Solar water heating/cooling systems and solar pumps Testing, monitoring systems, project consultants, suppliers of building integrated photovoltaic (BIPV) and solar thermal engineering
- System integrators, assemblers and distributors
- Glass, substrates, coatings, resins, encapsulation materials, films, gasses
- Photovoltaic (PV) modules, hybrid systems, materials and equipments

### Wind Energy

- Hydraulic and mechanical items manufacturers and suppliers
- Wind monitoring and analysis systems suppliers
- Assessment and forecasting service providers
- Wind-Solar hybrid power system integrators
- Wind farm owner
- Wind farm owner
- Buyers and sellers of old WEGs
- Civil engineering surveyors and contractors
- Component repairers (other than OEMs)
- Consultants and certification agencies
- Electrical and electronics items manufacturers
- Freight forwarders
- Freight forwarders
- Insurance companies, surveyors, valuers, Operations and maintenance providers
- Stand-alone small aero-generator manufacturers & Training providers
- WEG erection contractors, spares, components
- Tools and lubricants manufacturers
- Wind electric generator (WEG) manufacturers

## Bio Energy

- Bio-diesel dispensing and mixing equipment manufacturers
- Biomass heating and drying equipment manufacturers
- Bioreactor, boiler, turbine and turbo-generator manufacturers & consultants
- Analytical instruments manufacturers and service providers
- Bio-diesel / bio-ethanol distributors or refining companies

## Energy Storage and Electric & Hybrid Vehicle

- Engineering Consultancy
- Fuel Cells
- Policy Makers & Government representatives
- Automotive Components
- Battery Components & Materials
- Battery Manufacturers
- Battery Packs
- Component Manufacturers
- Channel Partners/ Distributors
- Automation Equipment
- Manufacturing Equipment
- Motors

*(This list is only illustrative for guidance and is not exhaustive)*

## WHY EXHIBIT ?

Showcase your latest products and services set to transform India's energy industry.

- Generate new business Leads.
- Network with industry leaders & potential buyers.
- Launch new products & services.
- Increase brand exposure.
- Engage with leaders and decision makers from across the sector.
- Demonstrate your products, services and solutions first-hand in a live environment.
- Meet with existing customers and gain access to a new range of potential clients.
- Conduct face to face meetings with a highly targeted and engaged audience.
- Return on investment.

## PARTICIPATION EXPENSES

Type of Stall	Minimum Area (Sq. Mtrs)	Rate per Sq. Mtr
Shell Scheme	9 Sq.Mtrs	₹ 12,500
Bare space*	36 Sq.Mtrs	₹ 12,000

### Surcharge:

Open Side Charges :

- a) 2 side open - 15% of the space charges
- b) 3 side open - 25% of the space charges

Barespace\* Only booked area will be provided without any of the shell scheme facilities.

Note: GST @ 18% Extra GSTIN: 29AABCT8763B1Z6

Payment in favour of "Triune Exhibitors Pvt. Ltd.,"

## SHELL STALL FACILITIES

- a. Shell Scheme (3mtr x 3mtr) Back & side partitions with modern pre-fabricated system similar to octonorm panels
- b. Synthetic Carpet
- c. Name on Fascia
- d. Three Spot Lights
- e. One 15amp Plug Point
- f. One Table
- g. Two Chairs
- h. Copy of the Exhibitors Directory

## KEY HIGHLIGHTS

**770+**  
EXHIBITORS

**50,000+**  
BUSINESS VISITORS

**5+**  
COUNTRIES PARTICIPATING

**2,21,000+** SQ. FT  
EXHIBITION AREA

## VISITORS PROFILE

- Architects
- CEOs, COOs, CFOs, Directors from RE Sectors
- Real Estate Developer
- Industrial Consumers
- Facility Managers
- Energy Consultants
- System Installers and integrators
- Ministries, regulatory bodies, municipalities, local, authorities, etc
- Utilities & Project developers and planners
- Project developers and planners
- Investors, Fund Managers, Banks, Financial consultants
- Wind farm owners and Developers Construction & Rigging Companies
- R&D officials
- Captive power buyers
- Distributors/ Dealers
- Independent Power Producers, EPCs

## ABOUT ORGANISER

Triune Exhibitors Pvt. Ltd. has proudly completed 25 successful years, organizing over 60 industrial trade fairs of international repute. Founded in the year 2000, Triune has established itself as one of India's leading exhibition organizers, renowned for delivering excellence. Over the years, the company's exhibitions have gained recognition in both domestic and international markets, continuing its legacy of success.

Triune Exhibitors has played a pivotal role in creating landmark B2B exhibitions across key industrial sectors such as Plastics, Electrical & Electronics, Printing & Packaging, Automotive, Food and Agriculture to name a few. Some of their flagship events include Plastfocus, Plastasia, Elasia and Print & Packtech World Expo, etc., which serve as dynamic platforms for innovation, industry growth and networking.

**The Electrical Consultant's Association (ELCA)** was founded and registered in 1990 at Bangalore by a group of dedicated consulting professionals actively involved in the field of electrical consultancy.

To create awareness amongst the electricity consumers towards a better and safer quality of electrical installation and provide a platform for interaction between the manufacturers and the end users by way of arranging technical seminars, workshops, exhibitions etc.

Work with statutory authorities for relevant, safe and proper installation, considering the present trends in the design of the systems and development of electrical products. ELCA is a body having several experienced and recognised consulting professionals as its members. Many of its members have been associated with prestigious electrical projects in the public and private sectors.
