ABOUT RENEWABLE ASIA & ENERGY EXPO

RENEWABLE ASIA & ENERGY EXPO is among the largest and most comprehensive exhibitions focused on technologies for non-conventional energy sources. As the global demand for sustainable power continues to grow, renewable and alternative energy sources are becoming increasingly vital to meeting the energy needs of domestic and industrial applications.

From solar, wind, hydroelectric and geothermal power to biofuels and biomass, the renewable energy landscape encompasses a diverse range of technologies and solutions.

RENEWABLE ASIA & ENERGY EXPO brings together leading professionals from across the power generation spectrum, creating a platform for the exchange of ideas, technologies and industry best practices. The event showcases the latest developments aimed at delivering flexible solutions for integrating renewable and conventional power sources, connecting emerging technologies with the markets and industries that are driving the transition towards a more sustainable energy future.

WHY EXHIBIT?

- Showcase your latest products and services that are set to transform India's energy industry.
- Generate new business leads.
- Network with industry leaders and potential buyers.
- An ideal platform to launch new products and services.
- Increase brand exposure.
- Engage with industry leaders and decision-makers from across the sector.
- Demonstrate your products, services and solutions first-hand in a live environment.
- Connect with existing customers and gain access to a new pool of potential clients.
- Conduct face-to-face meetings with a highly targeted and engaged audience.
- Maximise your return on investment.

KEY HIGHLIGHTS

860+
Exhibitors

50,000+
Business Visitors

14+
Countries Participating

8,60,000+
Sq. Ft. Exhibition Area

PARTICIPATION EXPENSES

Type of Stall	Minimum Area (sq. m)	Rate Per sq. m (INR)
Shell Scheme	9 sq. m	₹ 13,500
Bare Space*	36 sq. m	₹ 13,000

*Bare Space: Only the booked area will be provided without any stall facilities.

Open-Side Charges:

a) 2 sides open – 15% of the space charges
b) 3 sides open – 25% of the space charges

Note: GST @ 18% **GSTIN: 29AABCT8763B1Z6**

Payment in favour of **TRIUNE EXHIBITORS PVT. LTD.**

STALL FACILITIES

Shell scheme (3 m × 3 m) with back and side partitions, using a modern pre-fabricated system similar to Octonorm panels

- Synthetic carpet
- Name on fascia
- Three spotlights
- One 15-amp plug point
- One table and two chairs
- Copy of the Exhibitors' Directory

EXHIBITOR PROFILE

SOLAR ENERGY

- Suppliers of raw materials
- Wire saws and consumables
- Silicon feedstock, ingot and wafer manufacturing
- Inverters, charge controllers, batteries and module connectors
- Screen-printing and metallisation equipment
- Solar cell manufacturers
- Solar drying and desalination systems
- Software solutions and providers of irradiation data
- Turnkey solution providers
- Solar farm developers and owners
- Annual maintenance contractors
- Emission monitoring systems
- Electrical testing and measuring systems
- Manufacturers of cell and module encapsulation, crystal growth equipment, diffusion furnaces, laminators, mounting systems, concentrators, trackers and collectors
- Solar street and billboard lighting systems
- Solar water heating/cooling systems and solar pumps, testing and monitoring systems, project consultants, and suppliers of building-integrated photovoltaic (BIPV) and solar thermal engineering solutions
- System integrators, assemblers and distributors
- Glass, substrates, coatings, resins, encapsulation materials, films, and gases
- Photovoltaic (PV) modules, hybrid systems, materials and equipment

WIND ENERGY

- Manufacturers and suppliers of hydraulic and mechanical items
- Suppliers of wind monitoring and analysis systems
- Assessment and forecasting service providers
- Wind-solar hybrid power system integrators
- Wind farm owners
- Buyers and sellers of old WEGs
- Civil engineering surveyors and contractors
- Component repairers (other than OEMs)
- Consultants and certification agencies
- Manufacturers of electrical and electronic items
- Freight forwarders
- Insurance companies, surveyors, valuers, and operations and maintenance providers
- Manufacturers of stand-alone small aero-generators and training providers
- WEG erection contractors and suppliers of spares and components
- Manufacturers of tools and lubricants
- Wind Electric Generator (WEG) manufacturers

BIOENERGY

- Biodiesel dispensing and mixing equipment manufacturers
- Biomass heating and drying equipment manufacturers
- Bioreactor, boiler, turbine and turbogenerator manufacturers and consultants
- Manufacturers of analytical instruments and service providers
- Biodiesel/bioethanol distributors or refining companies

ENERGY STORAGE & ELECTRIC/HYBRID VEHICLES

- Engineering Consultancy
- Fuel Cells
- Policymakers & Government Representatives
- Automotive Components
- Battery Components & Materials
- Battery Manufacturers
- Battery Packs
- Component Manufacturers
- Channel Partners/Distributors
- Automation Equipment
- Manufacturing Equipment
- Motors

VISITOR PROFILE

- Architects
- CEOs, COOs, CFOs, and Directors from the RE sector
- Real Estate Developers
- Industrial Consumers
- Facility Managers
- Energy Consultants
- System Installers and Integrators
- Ministries, Regulatory Bodies, Municipalities, Local Authorities, etc.
- Utilities & Project Developers and Planners
- Investors, Fund Managers, Banks, and Financial Consultants
- Wind Farm Owners and Developers
- Construction & Rigging Companies
- R&D Officials
- Captive Power Buyers
- Distributors/Dealers
- Independent Power Producers, EPCs

ABOUT THE **ORGANISER**

Triune Exhibitors Pvt. Ltd. (TEPL) is one of India's leading exhibition organisers, proudly celebrating 25 successful years of excellence in the trade fair and exhibition industry. Over the years, TEPL has organised more than 68 industrial exhibitions of international standards, creating world-class business platforms that connect manufacturers, suppliers, buyers, technology providers and industry professionals from India and across the globe.

Renowned for its professionalism, innovation, and commitment to quality, TEPL has built a strong legacy by organising some of India's most recognised exhibitions, including PLASTFOCUS, PLASTASIA, ELASIA, PRINT & PACK TECH EXPO, THE INTERNATIONAL AUTO SHOW and many more. These exhibitions have contributed significantly to industrial growth, technology exchange, product launches, and strategic business networking.

With expertise spanning diverse sectors such as Plastics, Electrical, Printing & Packaging, Automotive, Machine Tools, Renewable Energy, Food Processing, Agriculture, Chemicals, and Smart Cities. TEPL continues to create impactful platforms that generate business opportunities and promote industry advancement.

Driven by a strong commitment to excellence and supported by robust execution capabilities, Triune Exhibitors Pvt. Ltd. continues to strengthen its position as a trusted partner for world-class exhibitions and business platforms in India.

INTENSIVE MARKETING PLAN

TRADE JOURNAL
- Industry Trade Magazines
- Top Industrial Magazines of Renewable Energy

PUBLIC RELATIONS
- Association Support
- Press release

SPECIAL PROGRAMS
- Business Matchmaking
- Conference, Workshop
- Live Product Demonstration

DIGITAL MARKETING
- Website, SEO
- Social Media Marketing
- E-Newsletter
- Online Show Listings

DIRECT MARKETING
- Bulk Email sent to a database of over 2,00,000 Industry Professionals
- WhatsApp / SMS Marketing
